EDUCATION

Year	Degree	Institute	CGPA/Marks
2024	MCA	MS Ramaiah Institute of Technology	8.1 / 10
2022	BCA	Nagarjuna Degree College	8.6 / 10
2019	XII	Dr Nsam Pu College	75%
2017	X	Karnataka Public School	9.6 / 10

WORK EXPERIENCES

HDLC Technologies | Python Intern [Dec 2022 - Feb 2023]

- Developed a simple yet efficient calculator application using **Python and Tkinter** , demonstrating proficiency in GUI development.
- Employed object-oriented programming principles to design a modular and scalable codebase for the **calculator application**, ensuring ease of maintenance and future enhancements.
- Collaborated closely **with senior developers to troubleshoot bugs** and optimize application performance, gaining valuable hands-on experience in software development workflows and best practices.

Postulate | Full Stack Development Intern [Jan 2023 - Apr 2023]

- Pearheaded the enhancement of the Postulate Full Stack project, demonstrating versatility across **front-end and back-end**
- Orchestrated the development of responsive web interfaces utilizing **React.js, Node.js, Express.js, and MySQL**, implementing robust user authentication mechanisms to elevate system functionality and security.
- Innovated backend architecture by optimizing database operations, resulting in improved system **performance and scalability**.

PROJECTS

Athlete Performance Management System | Self Project [Jul 2023 - Aug 2023]

- Developed this website using **React.js,Node.js,Express.js and MySQL**, enabling efficient tracking and analysis of athlete performance metrics
- Collaborated closely with coaches and trainers to understand **their needs and preferences**, resulting in a user-friendly interface that allows easy input and monitoring of **performance metrics**
- Implemented advanced **analytics features**, providing coaches and trainers with valuable insights into athlete performance trends and facilitating informed decision-making in training strategies

Campus App | Collaborative Project [Jan 2024 - Feb 2024]

- Led creation of a campus app using **Android and Firebase**, emphasizing user experience and functionality
- Implemented secure login, user-friendly dashboard, and seamless **course management integration** to enhance user engagement
- Played pivotal role in team, facilitating effective **communication and coordination** to ensure timely project completion

Restaurant Management System | Self Project [Mar 2023 - Apr 2023]

- Created user-friendly Restaurant Management System using **HTML, CSS, and JavaScript**, empowering staff to manage orders, track inventory, and generate reports
- Implemented dynamic order management system with **real-time updates**, facilitating efficient processing and customer service
- Ensured seamless functionality across devices with responsive design principles, enhancing **staff accessibility**

SKILLS AND EXPERTISE

Languages : C | C++ | Python |Java| HTML | CSS | JavaScript **Frameworks** : NodeJS | ReactJS | MySQL | Agile(Scrum) | Big Data **Software and Tools** : AWS | Android | Visual studio | Data Structure | Computer Network

CERTIFICATES

- NPTEL** - Technical English for Engineers [Jul 2019 - Sep 2019]
- Edureka** - Full Stack Web Development [May 2022]
- Great Learning** - Ethical Hacking [July 2022]
- Anudip** - Web Designing [Jun 2022 - Aug 2022]

POSITIONS OF RESPONSIBILITY

Coordinator at IT Fest: [Mar 2023 - Apr 2023]

- Orchestrated the Successful coordination and execution of a large-scale **IT fest**, demonstrating strong leadership and organizational skills.
- Developed and meticulously **maintained** an event plan, ensuring seamless operations and a memorable experience for participants.
- Collaborated with diverse **teams and stakeholders** to manage logistics, scheduling, and resources effectively, contributing to the overall success of the event.

Ambassador at Viral Fission: [Sep 2022 - Present]

- Played a pivotal role as an Ambassador at Viral Fission, driving measurable **success and contributing** to the company's growth.
- Acquired valuable skills in promoting products, services, and campaigns, leveraging innovative strategies to **maximize** outreach and engagement.
- Demonstrated **excellent communication** and interpersonal abilities, effectively representing the company and building strong relationships with customers and partners.
